**RVM Achieves Tenth and Eleventh “Top Gun” Rankings with
3-Star and 1-Star Ratings from Informa Investment Solutions**

*Three Year and Fourth Quarter Performance puts RVM’s Market Opportunity Product
In Top 10 among peer investment firms*

San Antonio. March 1, 2011 - Robinson Value Management’s Market Opportunity Composite portfolio was recognized again by Informa Investment Solutions (IIS) as one of the “Top Guns” in the 3-star and 1-star categories in their Plan Sponsor Network (PSN) database. The 3-star and 1-star categories are derived from performance for the latest three years and the latest quarter, respectively. RVM was among ten managers recognized for the three year period (3rd of over 600 firms and 1300 products), as well as the fourth quarter (7th of over 600 firms and over 1300 products) in the Large Cap Equity Universe for the periods ending December 31, 2010. This was RVM’s 10th and 11th “Top Guns” since the firm was founded in 1997.

About Robinson Value Management (RVM)

RVM is an independent investment management firm, not affiliated with any parent organization. Founded in 1997, RVM is registered with the SEC and serves both individual and institutional clients. The name was changed to Robinson Value Management, Ltd. from Robinson & Wilkes, Ltd. on December 31, 2008.

All fee-paying, fully discretionary accounts with a client objective of participating in market timing through the use of 2x long and 2x short “Ultra” S&P 500 exchange traded funds (ETFs), which included the use of margin to create short and leveraged long positions. Leverage is employed to obtain net exposures that range from as low as 40% short to as much as 140% long. Short positions and leveraged long positions involve considerable risk and are not suitable for many investors. Prior to 2005Q4, this composite was the Market Timing Equity Composite, a name change only. Prior to 2007Q2, this composite was the Market Opportunity with Margin Composite, a name change only. Past performance cannot guarantee comparable future results.

RVM claims compliance with the Global Investment Performance Standards (GIPS[®]). RVM has been verified for the periods December 31, 1997 through December 31, 2010 by Dabney Investment Consulting Associates, Inc. A copy of the verification report is available upon request.

About Informa Investment Solutions (IIS)

For 30 years, IIS has served both institutional and retail investment professionals, providing customized systems and outstanding services for use in their own client relationships. Their Plan Sponsor Network (PSN) investment manager database is one of the largest and longest running of its kind in the industry.

The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross of fee returns. The use of net of fee returns may have changed the rankings. PSN information is intended for use by qualified investment professionals.
