**Robinson Value Management Featured in
Pensions & Investments “Top-Performing Money Managers”**

San Antonio. November 12, 2012 - Robinson Value Management was recognized in *Pensions & Investments*' latest special report: Top-Performing Money Managers. The Market Opportunity composite performance ranked among the top ten Long-Short Equity products for the one year and five year periods ending September 30, 2012.

“We are very pleased to see the Market Opportunity product place in both the one and five year periods,” said Amy Abbey Robinson, CIMA®, CEO of Robinson Value Management, Ltd. “The performance of this product attests to its capacity to benefit from the volatility that occurs when macro-economic and behavioral factors overwhelm company specific fundamentals.”

About Robinson Value Management, Ltd.

Robinson Value Management, Ltd. is an independent investment management firm, not affiliated with any parent organization. Founded in 1997, Robinson Value Management is registered with the SEC and serves both individual and institutional clients. The name was changed to Robinson Value Management, Ltd. from Robinson & Wilkes, Ltd. on December 31, 2008.

The Market Opportunity composite includes all fee-paying, fully discretionary accounts participating in market timing and select tactical investments. The approach uses margin, imbedded in ETF's, to establish short and leveraged long positions. Leveraged long positions and short positions involve considerable risk and are not suitable for many investors.

Robinson Value Management, Ltd. claims compliance with Global Investment Performance Standards (GIPS®). Robinson Value Management has been verified for the periods December 31, 1997 through September 30, 2012 by Dabney Investment Consulting Associates, Inc. A copy of the verification report is available upon request.
