Robinson Value Management Featured Again in *Pensions & Investments* "Top-Performing Money Managers"

San Antonio. February 25, 2013 - Robinson Value Management was recognized in the February 18th issue of *Pensions & Investments* in their special report, Top-Performing Money Managers. The Robinson Market Opportunity composite performance ranked 3rd and 4th respectively for both the 1 Year and 5 Year periods ending December 31, 2012 among Long-Short Equity products.

"We are very pleased to see the Market Opportunity strategy recognized again in the 1 year and 5 year periods," said Amy Abbey Robinson, CIMA®, Chief Executive Officer. "This strategy's success attests to its ability to benefit from the market volatility created by the normal policy making of our over-committed government as it attempts to manage domestic economic outcomes. This recognition reflects the utility of this unique approach."
